RE: Disadvantaged Business Enterprise Certification

Dear Ms. Parker:

We are pleased to advise you that after careful review of your application and supporting documentation, the Los Angeles County Metropolitan Transportation Authority (Metro) has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26, as amended. This certification will be recognized by all of the U.S. DOT recipients in California. Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific areas of expertise that you have identified on the NAICS codes form of the application package:

| NAICS | Description |
|--------|---|
| 238110 | Poured Concrete Foundation and Structure Contractors |
| 238120 | Structural Steel and Precast Concrete Contractors |
| 238190 | Other Foundation, Structure, and Building Exterior Contractors |
| 238910 | Site Preparation Contractors |
| 238990 | All Other Specialty Trade Contractors |
| 424720 | Petroleum and Petroleum Products Merchant Wholesalers |
| 484110 | General Freight Trucking, Local |
| 532412 | Construction, Mining, and Forestry Machinery and Equipment Rental Leasing |

Your DBE certification applies only for the above codes. You may review your firm's information in the CUCP DBE database which can be accessed at the CUCP's website at www.californiaucp.org. Any additions and revisions must be submitted to Metro for review and approval.

In order to ensure your continued DBE status, you are required to submit an annual No Change Declaration Form (which will be sent to you) along with supporting documentation. If no changes are noted, then your DBE status remains current. If there are changes, Metro will review to determine continued DBE eligibility. Please note, your DBE status remains in effect unless Metro notifies you otherwise.

Should any changes occur that could affect your certification status prior to receipt of the No Change Declaration Form, such as changes in your firm's name, business/mailling address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify Metro immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

Metro reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. Your DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records and documents by Metro.

Congratulations, and thank you for your interest in the DBE program. Should you have any questions, please contact us at [213-922-2600](tel:213-922-2600) **Option 1**. For information on Metro contracting opportunities, please visit our website at www.metro.net.

Subject: LA Metro Annual Update #7756

We have received and processed your Annual No Change Declaration. Your DBE and/or SBE file has been updated and remains active. Please note, you will not receive new certification letters as we do not send updated certification letters on an annual basis. The certification letters from when your firm was initially certified continue to be active. We will do this again next year.

Best Regards,

Alex Baker
